

# BASIC ABDOMINAL & PELVIS ULTRASOUND WORKSHOP 2018

21<sup>st</sup> JULY 2018

Auditorium & Samsung Sono School,  
Advanced Surgical Skills Centre,  
Hospital Canselor Tuanku Mukhriz,  
PPUKM

## Programme Overview

This is the 1<sup>st</sup> series of Basic Ultrasound Abdominal and Pelvis Workshop organized by Diagnostic Imaging and Radiotherapy, Faculty of Health Science, UKM. We will be joined by experience radiologists and gynecologists who are actively involve both in clinical and teaching in Medical Radiology and O & G throughout this workshop.

Participants will be exposed to an array of topics ranging from ultrasound anatomy of the abdomen (hepatobiliary systems, kidneys, pancreas and spleen) and pelvis region They will also acquire the correct technique to perform abdomen and pelvis ultrasound procedures. This workshop will also expose participants to the basic skills needed to analyze and interpret abdomen and pelvis ultrasonography images, both normal and abnormal. To strengthen the knowledge gained, there will be a hands on sessions in the afternoon conducted by experienced radiologists and gynecologists.
