

COMPULSORY INDEMNITY FORUM

Book your place at the Compulsory Indemnity Forum. In response to queries from doctors about the introduction of compulsory indemnity, we're holding sessions to help you understand the plans, and the options available to you.

Join our expert speakers and understand the benefits and effects of compulsory indemnity for doctors, as well as medicolegal and litigation trends in Malaysia.

There will be an opportunity to network with colleagues and meet the Medical Protection team.

You can also visit our medicolegal clinic at the end of the conference to ask our panel of experts about medicolegal, ethical and educational queries.
