

# MPS – MMA MEDICOLEGAL SEMINAR

Book your place at the Medicolegal Seminar. In response to queries from doctors about the introduction of compulsory indemnity, we're holding sessions to help you understand the plans, and the options available to you.

Join our expert speaker and understand the benefits and effects of medical indemnity for doctors, as well as medicolegal and litigation trends in Malaysia.

There will be an opportunity to network with colleagues and meet the Medical Protection team.
