

# Platform for medical students

---

## EDUCATION

Sunday, 23 Feb 2020

THE annual Gathering of the Great Minds (GOTGM) 2020 is organised by Universiti Malaya Medical Society (UM MedSoc) in collaboration with the Society of Malaysian Medical Association Medical Students and the International Federation of Medical Students' Associations.

It is an event by medical students for medical students around Malaysia with the theme "Discovering, Understanding and Healing".

It serves as a platform for medical students' to speak out to strive for the betterment of medical graduates, advancing health care and advocating the future of medicine in Malaysia.

It will be held on March 14, from 8am to 5pm at the Clinical Auditorium, Faculty of Medicine, UM.

Several speakers who are renowned in the field of medicine, have been invited to give talks on their achievements and to inspire the students.

There will also be a sharing session and workshops that will be conducted by experienced doctors and specialists from the UM Medical Centre. The workshops that will be held are on suturing and knotting, intravenous, intramuscular and subcutaneous injections, intubation and research initiation.

For information, email [gotgmcrew@gmail.com](mailto:gotgmcrew@gmail.com).
