Chairperson

DATUK DR CHRISTOPHER K.C. LEE

Dr Christopher earned his medical degree from University Malaya, Kuala Lumpur in 1985. He was trained in Infectious Diseases at the Regional Infectious Diseases Unit at City Hospital, Edinburgh, Scotland from 1993-1994. He formerly served as the National Advisor for infectious disease and Deputy Director-General for Research & Technical Support of the Ministry of Health, Malaysia. Currently, he is a member of Selangor Task Force Covid-19.

Speaker

DR SUE PEDERSEN

Endocrinologist at C-ENDO Diabetes and Endocrinology Clinic in Calgary, Canada and a Diplomate of the American Board of Obesity Medicine.

Dr Sue is a medical doctor, Specialist in Endocrinology & Metabolism, and a Diplomate of the American Board of Obesity Medicine. After completing her training as an Endocrinologist in 2005 at the University of Calgary, she worked in Calgary, at the Royal University Hospital in Saskatchewan, and at the University of Copenhagen in Denmark. She has a busy clinical practice at C-ENDO Diabetes and Endocrinology Clinic in Calgary, caring for patients with diabetes, obesity, thyroid, and other hormone issues. Sue is also involved in clinical research in diabetes and obesity.

Dr Sue is a member of the Expert Committee for the 2018 Diabetes Canada Guidelines, and an author on the upcoming Canadian Obesity Guidelines. Sue is passionate, enthusiastic, and driven to help conquer the stigma against obesity, help educate health care professionals and the public about obesity, diabetes, and healthy living, and help us become a healthier society!
