

**Dear Tan Sri/ Datuk Seri/ Dato' Seri/ Datuk/ Dato'/ Puan Sri/ Datin Seri/ Datin/ Doctors,**

**APPLICATION TO SERVE ON MMA COMMITTEES AND AS MMA REPRESENTATIVES  
(2026/2027)**

In preparation for the 2026/2027 term, the Malaysian Medical Association (MMA) would like to invite its members to volunteer to serve on the various MMA Committees and/or to represent the MMA in external organisations.

The role of an MMA Committee member is to contribute knowledge and expertise in the specific area addressed by the Committee. The role of an MMA Representative in an external organisation is to reflect the Association's views and contribute to the development of the medical profession.

You are cordially invited to submit your application to the MMA Secretariat if you wish to be considered as a member of any MMA Committee and/or as an MMA Representative to external organisations for the 2026/2027 term by completing the form via the link below:

<https://forms.gle/ex7X44kRj4tA9gGC6>

Alternatively, the application form and the criteria for committee applications are also available on the MMA website at:

<https://mma.org.my/application-to-join-the-mma-committees-external-organisations-2026-2027/>

Please note that certain Committee positions may be unavailable, as some appointments are made by recommendation of the MMA Council or because some Committee members are appointed for terms exceeding one year. For all other Committees, appointments are for a one-year term.

Members will be selected based on their interest, relevant experience and expertise, and (where applicable) past service history. The MMA Council will make the final decision on all Committee appointments.

Kindly note that all Committee members must be Malaysian citizens, in accordance with the MMA Constitution.

We would appreciate it if you could submit your application form **by 15 June 2026**.

If you have any further queries, please email **secretary@mma.org.my**.

Thank you.

Thank you.

Dr. Vasu Pillai Letchumanan  
Honorary General Secretary  
Malaysian Medical Association
