COVID19 Management of Cat 1&2

**COVID-19
Pandemic**

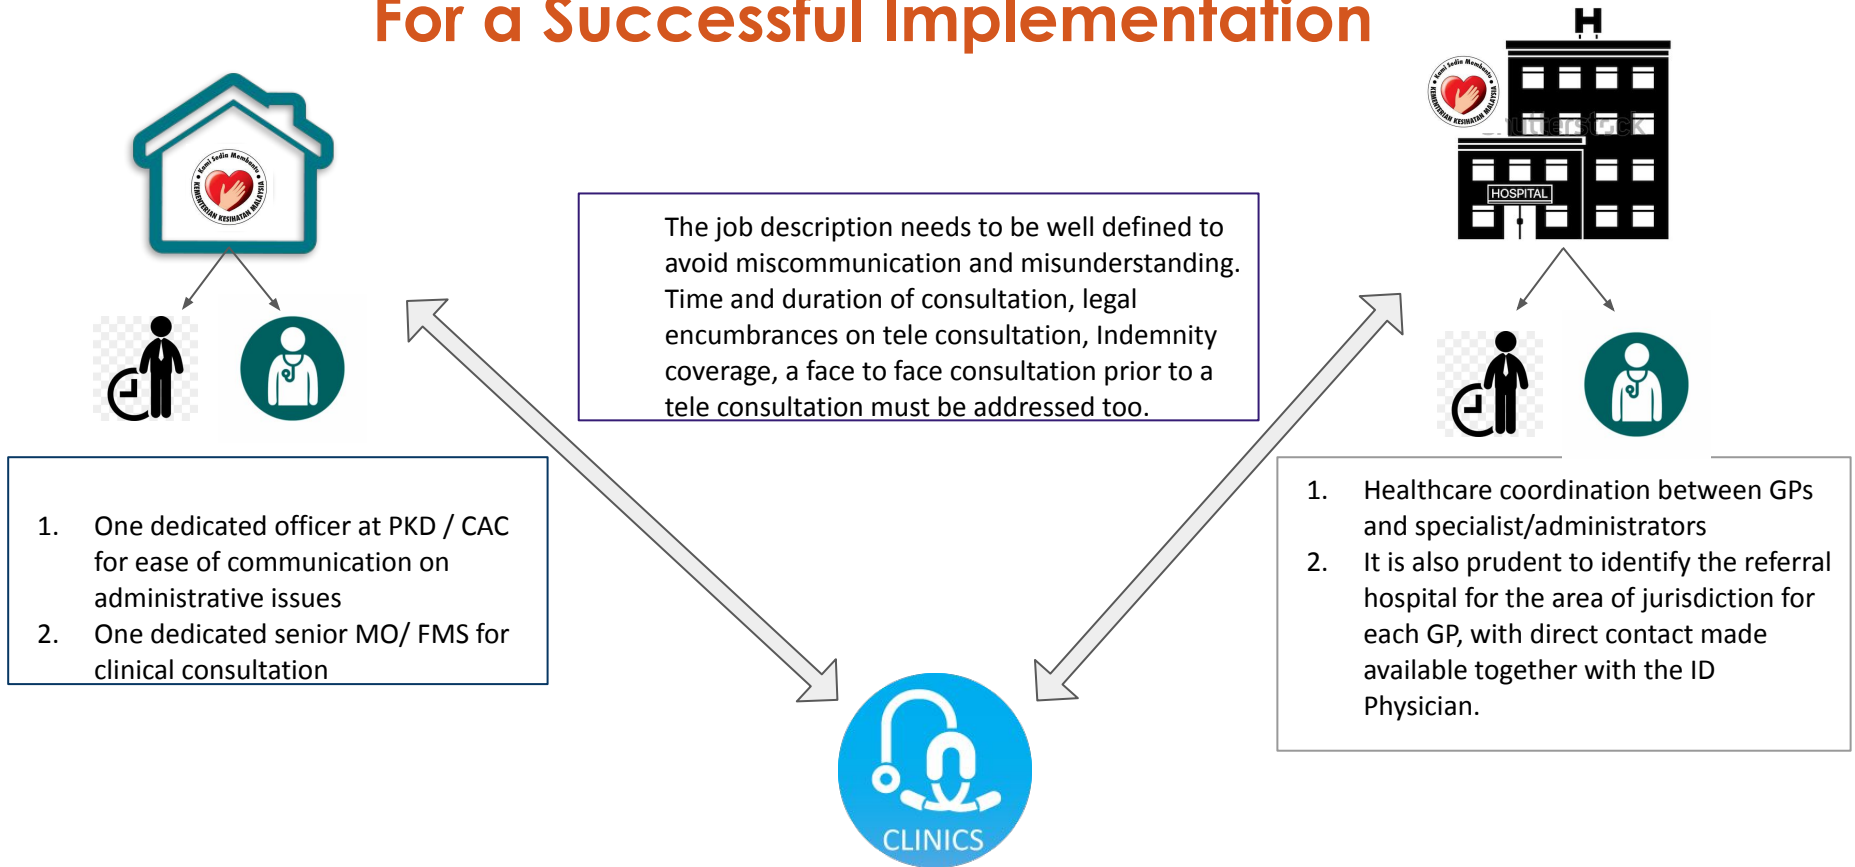

Issuance of Quarantine Order,
HSO, Release Letter

Vaccination

For a Successful Implementation

Digitally connected for traceability , monitoring & alerts. (e-COVID 19)

A red heart-shaped object, possibly a medical device component, is positioned on the left side of the frame. To its right is a silver stethoscope. Both objects are resting on a reflective surface, creating clear reflections below them. The background is a soft, out-of-focus white. A dark grey horizontal band is overlaid across the middle of the image, containing the text.

- THANK YOU -
