

CANDIDATE FOR **Honorary General Treasurer 2026/2027**

Serving as your **Honorary General Treasurer** over the past two terms has been one of the greatest privileges of my professional journey. My commitment has always been simple, to ensure that every ringgit entrusted to the Malaysian Medical Association (MMA) is managed with integrity, accountability, and purpose, while translating our financial strength into meaningful value for our members.

My journey in MMA reflects many years of service and leadership. I have had the privilege of serving as **Vice Chairman of MMA Kedah, Honorary Secretary of SCHOMOS, Vice Chairman of SCHOMOS, Chairman of SCHOMOS, Honorary Deputy Secretary of MMA**, and currently **Honorary General Treasurer**. Throughout these roles, I have worked closely with colleagues across the Association and have presented numerous policy papers and proposals through the **Majlis Bersama Kebangsaan (MBK)**, advocating for doctors' welfare, career progression, and better working conditions.

My experience has given me a comprehensive understanding of MMA's governance, finances, and the diverse needs of our members. I believe that sound financial stewardship is fundamental to building a stronger Association, one that is transparent, sustainable, and able to continue serving the profession effectively.

If re-elected, my priorities will be to:

- Strengthen MMA's long-term financial sustainability through prudent financial planning and responsible investment.
- Enhance financial governance through transparent budgeting, robust internal controls, clear financial standard operating procedures, and accountable expenditure monitoring.
- Uphold fairness, consistency, and accountability in all financial policies and reimbursement practices.
- Create a Finance Committee to assist HGT in administration of budgets.

- Advocate for stronger financial support for branches, SCHOMOS, PPS, SMMAMS, and member-centred programmes to encourage professional development, engagement, and organisational growth.
- Continue investing in leadership development and organisational capacity building for the MMA Secretariat, Council, Branch leaders, SCHOMOS, PPS, SMMAMS, and future leaders.
- Diversify sustainable revenue streams through CPD programmes, congresses, educational initiatives, strategic partnerships, and other innovative opportunities that strengthen MMA's long-term financial resilience.
- Ensure that every financial decision delivers measurable value while preserving MMA's ability to advocate effectively for doctors and respond to future challenges.

I firmly believe that **leadership is not about holding positions, it is about serving with integrity, listening with humility, and delivering meaningful results**. Throughout my journey in MMA, I have remained committed to responsible governance, teamwork, and the belief that our Association succeeds when its members succeed.

With your continued trust and support, I will continue to uphold the principles of **integrity, transparency, accountability, and prudent financial stewardship**, ensuring that MMA remains financially strong, well-governed, and future-ready.

Together, let us continue building a stronger, united, progressive, and future-ready Malaysian Medical Association.

Dr Arvindran A/L Alaga

Candidate for Honorary General Treasurer

Malaysian Medical Association (2026/2027)
