

CANDIDATE FOR Honorary General Secretary 2026/2027

Dear Colleagues,

I humbly seek your support to continue serving as your Honorary General Secretary of the Malaysian Medical Association.

Having been an MMA member for over 25 years and a Life Member since 2008, I have had the privilege of serving our Association in various leadership, administrative, financial, and advocacy roles at both state and national levels. These experiences have strengthened my understanding of MMA's governance and reinforced my commitment to serve our members with integrity, transparency, and dedication.

My Journey in MMA:

- Former **Chairman of MMA Kedah** and committee member of MMA Penang.
- Former **National SCHOMOS Chairman**, where I advocated for the welfare of government doctors and initiated programmes such as the ABC of Housemanship, Women Empowerment Seminar, and Cybersport Tournament.
- Former **Chairman of the Computer Technical Committee**, where I introduced paperless meetings and contributed to the development and enhancement of the MMA Mobile App, supporting MMA's digital transformation.
- Served as **Honorary Deputy Secretary, Honorary General Treasurer**, and currently **Honorary General Secretary**, providing continuity and experience in the governance and administration of MMA.
- Active member of several national committees, including the **Private Specialists Subcommittee**, contributing to matters relating to specialist fee schedules, TPAs, MCOs, insurers, and engagement with relevant authorities to safeguard the interests of private medical specialists.

Delivering on My Commitments:

- Introducing the MMA Medical Congress (2021), now a successful annual scientific meeting supporting CME, research presentation, and professional networking while remaining financially sustainable.
- Promoting digital transformation through paperless governance and continuous enhancement of the MMA Mobile App.

- Upholding prudent financial governance as Honorary General Treasurer, ensuring transparency, accountability, and sound financial management.
- Strengthening MMA administration as Honorary General Secretary, ensuring efficient management of Secretariat, Executive Committee, Council, and governance processes.
- Working collaboratively across government and private sectors to advocate for the welfare and professional interests of doctors.

My Commitment:

If entrusted with another term as your Honorary General Secretary, I pledge to continue serving with dedication by:

- Upholding the Constitution, governance, and integrity of MMA.
- Ensuring an efficient, transparent, and accountable Secretariat.
- Strengthening communication between Executive Committee, Council, Branches, Committees, and members.
- Continuing MMA's digital transformation to improve efficiency and engagement.
- Working collaboratively to address issues affecting doctors across all sectors of practice.
- Advocating for the welfare and professional interests of all doctors—government, private, specialists, general practitioners, medical officers, and young doctors.
- Safeguarding MMA's reputation as the leading independent voice of the medical profession in Malaysia.

I firmly believe that MMA's strength lies in its **unity, professionalism, and shared commitment** to serve both the profession and the nation.

It has been a privilege to serve MMA over the years, and I remain committed to serving with **experience, integrity, and continuity**.

I respectfully seek your confidence and support to continue serving as your Honorary General Secretary.

Together, let us continue building a stronger, united, progressive, and future-ready Malaysian Medical Association.

Thank You

Dr Vasu Pillai A/L Letchumanan
