Dear YBhg. Datuk,

**CLARIFICATION REGARDING INQUIRY ABOUT THE MEDICAL TREATMENT COST OF
NANO KNIFE THERAPY (IRREVERSIBLE ELECTROPORATION)**

With kind reference to the above matter and your letter dated 3rd January 2024, regarding the professional fee for nano knife therapy, which is not stipulated in the 13th Schedule or Malaysian Medical Association (MMA) Schedule of Fee 5th Edition for the purpose of reimbursement.

2. We understand that a patient was diagnosed with colon cancer and had undergone this therapy in China since this treatment is not available in Malaysia and would like to make an insurance claim for this procedure.

3. The Ministry of Health Malaysia (MOH) regulates professional fees, which include consultation and procedure fees for private medical practitioners, through the 13th Schedule of Private Healthcare Facilities and Services Act 1998 [Act 586]. Since this treatment was done in China, it does not fall under the purview of Act 586 since it is only applicable to private healthcare facilities in Malaysia.

We hope the above explanation has answered your query.

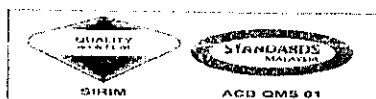

Thank you.

"BERKHIDMAT UNTUK NEGARA"

Yours sincerely,

(DR. MOHAMED IQBAL BIN HAMZAH)
