FOR GP/ HEALTHCARE FACILITY

ECOVID

2. Traveller – Login to nationaloutbreak.com.my → Click/Scan QR Code to register
3. GP - Login to nationaloutbreak.com.my → Login with temporary password → Activate account → Login again → **Update results of RTK on eCOVID**
4. **All results on eCOVID will be updated on MySejahtera within 10 minutes**

MyVAS

1. **Used if eCOVID system issues, MyVAS is the alternative to update RTK results**
2. Results cannot be printed temporarily
3. MySejahtera will be updated for traveller's card to be removed

SUMMARIZED OAT GUIDE FOR GP

BUSINESS CONTINUITY PLAN (BCP) EMERGENCY EXCEL SHEET

1. If eCOVID and MyVAS is both down simultaneously
2. Enter patient details and results into excel sheet and CPRC Digital Team KKM would contact PIC of each state.
3. GPs can join CPRC - GP Telegram Group to get most updated information from us via https://t.me/+4wVxAv_LeNBhOWM9.

NOTES

1. Traveller should only be allowed to leave the healthcare facility after their “Traveller’s card” is removed
2. For the GP that has MyVAS but still haven’t got eCOVID ID, the GP are require to apply for eCOVID to perform OAT (on arrival test)
