

I am, Christopher Chin, presently 65 years old, a Sabahan, and was born and grew up mostly at Kota Kinabalu. After working as a lawyer for 37 years was invited to join the judiciary in 2019 and is currently serving as a High Court Judge at Kota Kinabalu, having served the last 3 years at Kuching and Sibul, Sarawak.

Not quite the athletic type but I cycled out of necessity initially to go to school and later to work as a cleaner at a hospital in London during my undergraduate days. Cycled consistently, mostly solo, for about 3 years leading up to mid-2019 after which the bicycle gathered dust while I was immersed in my time-demanding job in the High Court. I just enjoy the freedom and sense of self-accomplishment from cycling as well as the camaraderie with like-minded bikers.
